

TOWN OF RANDALL
POLICY ON LEASE OF BOAT SLIPS

Introduction

The purpose of this instant document is to summarize the Policies as relate to the leasing of Town of Randall boat slips.

The Town of Randall wishes to have in place a written Policy that will assist in regulating the leasing of Town of Randall boat slips, and provides the public with notice thereof.

This instant Policy is intended as a guide to assist in the orderly and fair leasing of Town of Randall boat slips. If a particular Policy conflicts with a Town Ordinance or with a valid Wisconsin or Federal law, then the Policy at issue will be deemed invalid.

The Town Board of the Town of Randall may amend this instant Policy at any time. This instant Policy is not precedent setting in any way. The Town of Randall Town Board may at any time, change, amend or even declare this instant entire Policy repealed.

1. Pier Administrator

The Town Board of the Town of Randall shall appoint a Pier Administrator. The Pier Administrator shall not be a person who leases a Town of Randall boat slip or who is on the Waiting List to lease a Town of Randall boat slip. The Pier Administrator as an agent of the Town Board possesses the authority to implement the Policies contained in this instant document, as well as possessing the authority to administer the leasing of the boat slips. The Pier Administrator may be a serving Town Board member.

2. Lease Eligibility

a. Leasing of Boat Slips

Property owners in the Town of Randall shall have precedence in the leasing of boat slips. Other persons may be allowed to lease a

boat slip if there are no Town of Randall property owners on the Waiting List.

Lease applicants shall be placed on the Waiting List, in chronological order based on the date on which the Town accepts the application to lease a boat slip. This Waiting List shall be strictly adhered to regarding the offer of a boat slip to those persons who are senior in the chronology.

If a person on the Waiting List refuses an offer of a boat slip from the Town, then that person shall be removed from the Waiting List. That person may in future again apply to be placed on the Waiting List.

b. Reassignment of Boat Slips

A Lessee in writing may apply to request a reassignment to another boat slip. The Town will maintain a chronological list of applications for reassignment, based on the date on which the Town accepts the Lessee's application for reassignment. As boat slips become available the Reassignment List will be reviewed, in order of chronology, to determine if an available boat slip satisfies a Lessee's request. If the applying Lessee obtains the lease of the vacant boat slip, then that Lessee's present boat slip becomes vacant and available for lease to another person.

If a person on the Reassignment List refuses an offer of a boat slip from the Town, then that person shall be removed from the Reassignment List. That person may in future again apply to be placed on the Reassignment List.

Only boat manufacturer models that are twenty feet (20') or less in length, shall be eligible to lease a boat slip on the Town's Municipal pier system.

6. Preexisting Lease Conditions

A preexisting allowed lease condition or use, which is inconsistent with either the present Lease or this instant Policy, may be allowed as a legal use if approved by the Pier Administrator.
